Subject: **1992 Fund Executive Committee**  
**1971 Fund Administrative Council**

At their October 2001 sessions the 1992 Fund Executive Committee and the 1971 Fund Administrative Council decided to hold sessions during the week of 11 February 2002, if required.

Since the October 2001 session there have been only limited developments as regards incidents involving the IOPC Funds which require decisions by the governing bodies. After consultation with the respective Chairmen, the Director has decided therefore that the Committee and the Council should not hold sessions during the week of February 2002.

The next sessions of the governing bodies and the 3rd intersessional Working Group will take place in the week commencing 29 April 2002.
